9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):		

ACL #13-96 states "(W)hen the applicant cannot complete the full SAWS 2 Plus on the same day they initially indicate a desire to apply for one or more programs, CWDs may use the revised separate SAWS 1 (08/13) to initiate the application and establish the beginning date of aid, as is done now."

ACL 13-96 does not explicitly state that the SAWS 2 Plus must be signed by the applicant when a SAWS 1 is used to apply for benefits. However, it does state "the applicant will be required to complete the SAWS 2 Plus either in person through an interactive interview, online through the appropriate..." (continued on next page)

#### 10. REQUESTOR'S PROPOSED ANSWER:

A signature is not required on the SAWS 2 Plus when the applicant has applied for CalFresh by submitting a SAWS 1. The SAWS 2 Plus must still be completed and provided to the applicant to verify the information on the form is correct.

#### 11. STATE POLICY RESPONSE (CFPB USE ONLY):

Although the CalFresh application form is preferred, if an applicant submits a completed SAWS 1 with the minimum requirements, the CWD must accept the SAWS 1 as a single signature application to begin the application process and set the beginning date of aid at initial intake. The SAWS 2 Plus can be completed during the interview.

ACL 13-96 addresses the SAWS 1 single signature application for CalWORKs households. A policy ACL is currently being developed to address CalFresh only households and the use of the SAWS 1 as a single signature application.

"...consortia website, or in hardcopy if the applicant chooses." Furthermore, ACL 13-96 states that the SAWS 2 Plus must be completed in and signed when the applicant uses the SAWS 1 to begin the application process for CalWORKs.

Per CFR §273.2, "The State agency cannot, as a condition of eligibility, impose additional application or application processing requirements."

Per MPP 63-300.32, "The household shall also be advised that it does not have to be interviewed before filing the application and may file an incomplete application form as long as the form contains the applicant's name and address, and is signed by a responsible member of the household or the household's authorized representative."

Requiring the applicant to sign a SAWS 2 Plus when he/she has applied via the SAWS 1 appears to violate CFR §273.2 as it requires an additional application to be signed.

Question: Is the SAWS 2 Plus required to be signed by the applicant when he/she has applied with a SAWS 1 that meets the minimum filing requirements (name, address and signature)?
